#### Rules, Point scoring, and Payout:

- Everyone picks three players. Once all of the picks are received, I will randomly add a fourth player to your picks from all of the players that you haven't picked until all survivors have been placed and all participants have a fourth player. The reason for this is so that all survivor players are in play and that the chance of ties is reduced and hopefully eliminated.
- I have changed some of the point scoring this season due to the Exile Island concept. Players get to replace the first person voted off.
